

SEMINARS

If you are planning to manage your event yourself, you have come to the right place. We turn your event into a great success!

Your advantage in this:

You benefit from professional and experienced event managers and cultural experts.

For example, we work together with experts on China with long experience, as well as excellent Arabic lecturers.

Enjoy a workshop in a comfortable and relaxed setting, from which you will continue to benefit for a long time.

Goals and contents of the workshop are available at our homepage: www.lunega.com

ABOUT LUNEGA

Management Karin Jellen, Betriebswirtin (VWA) with long experience in international cooperation with business partners at trade fairs, events and conferences.

The team consists of international students ready for to be of service.

Over time, we have built up a reliable network of partners that complements our portfolio with high-quality services. For example, LUNEGA can call on booth and stage builders, event technicians, caterers, print shops, and entertainers, in order to make your event perfect.

I hope I was able to spark your interest. I am also available for a personal conversation – please get in touch with me!

WELCOME AT LUNEGA

We are a young company, nevertheless with long experience on the international market, based in Erlangen, Germany.

At LUNEGA, we revolve around the globe for you.

YOUR EVENT

Create synergies between your employees from around the world.

Help grow creativity, innovation and potentials in a team-development seminar.

Build rafts and rope bridges, spend the night

in a wigwam and let the drums sound around the bonfire...

Reward your employees for goals achieved and motivate them for the future:

- Flight simulation in a training center
- Flight training with following helicopter flight
- Go to the racetrack and enjoy unforgettable race track training in a formula 1 car

Wow your international clients:

Have your international clients be raided by a band of robbers in a *****country-house hotel in the Spessart mountains.

Or book a pirate spectacular in Bremen and experience your products in a top-class hotel.

Present your new product at an altitude of 100m, above the rooftops of a major city.

Create synergies through a sky event and experience an extra-special formal dinner.

We always have the perfect solution for you and are personally available under +49 9131 814 1159.

GUEST SERVICES

You and your guests are in good hands with us. We organize not only your business, travel, sightseeing and cultural events, but also gladly take care of your guests with regard to intercultural aspects.

We offer flexible, innovative and comprehensive services for your guests – from picking them up at the airport to their departure.

Our possible support when entering new markets:

We offer our services as business support and help you find the perfect market/location or partner in Germany.

Coordination of the delegation's visit:

for example scheduling, gifts, recreational activities, meals, lodging, expectations of the foreign guests etc.

RELOCATION

You are planning the relocation for your employee with his entire family?

He is in good hands with us, and from the beginning, he will be safe and can address oneself to his new task.

We are there for your employee: from moving out of his old home, over finding a new and fitting residence, to the house-warming party, we are right there beside him and his family.

We hand him out the keys and he know...
... everything has been done.

Please be so kind and call or mail us for more information:
